### Rockcastle County Bar Endorses B. J. Bethurum

Judge B. J. Bethurum was born and reared in this, Rockcastle County Kentucky. In his boyhood his disposition was amiable and he was popular with his associates. He was an apt student and acquired a good education. In young manhood he turned to the study of the law and in the year 1895, he associated himself with his brother, Judge L. W. Bethurum, for the practice of that profession at Mt. Vernon, Kentucky, and which was most successful and was continued till the year 1906, when he removed to Somerset Kentucky, and soon thereafter became Commonwealth's Attorney for this Judicial District, which office he held till he entered upon the discharge of his duties as Circuit Judge, to which office he had been called by the people at the November election 1909, and which office he is most ably and satisfactorily filling today.

As a man and citizen Judge Bethurum is esteemed by all; as a practitioner he was courteous, honorable and successful; as a prosecutor he was able and fearless but always just and fair; as a Judge he presides with ability, justice and fairness to all. The rich and poor, the high and low, all receive at his hands that fair and impartial hearing and just reward to which their causes entitle them; and as such citizen, lawyer and official, we, his life long acquaintances, and associates at the bar most gladly commend him.

REPRESENTATIVE

To the voters of Rockcastle and Laurel Counties. It will be impossible for me to see you all before the Primary, although I would like to be able to see you and talk to you in person but as the time is short and my business at this time is very large I will have to depend to a large extent on my friends to talk for me. I was borned at Burn Springs, Clay Co., Ky., was raised on a farm and I know how to work. My father, Marshall M. Webb, is well known by a great many of the older citizens of this District. He was a Sergeant in the 8th Ky. and served four years in the Civil War. He has been an ordained Baptist Minister for the last 30 years, but has spent the greater portion of his time as a farmer. During his service in the army he realized the need of an education only having a limited amount of an education therefore he tried as best he could to give us boys an education. I attended the free schools of Clay Co. until I was grown then attended different high schools and colleges. I taught school in Clay county for four terms and in 1906 I graduated in medicine at the Louisville Medical college in Louisville, Ky., having practically made myself, all the money it took to take me thru college. Sep. 1, 1906 I located in the town of Livingston, Ky., thereby adopting Rockcastle county as my future home and can say truthfully I have never had cause to regret my choice. For the last 9 years I have been active

engaged in the practice of medicine. I have been good to the people in my territory and likewise they have been good to me. I have been fairly successful in my line as the people will testify and I have had an opportunity to study the needs of the people at close range, in the homes and by their fire sides. I know what the people need in this district and I will stand for their needs. I am a Republican. I cast my first vote for William McKinley, and I stand on the Republican platform as adopted at Lexington June 15, 1915. If nominated and elected I will vote in accordance to that platform. I have no laws in regard to my profession or the Drug business that I wish to introduce in the next Legislature. And if any one tells you that I want to go to the Legislature in the interest of my profession he tells a falsehood. I have tried to live and so conduct myself that I would be an honor to my father and mother and the community in which I live. I have always stood for those things that are high, noble and Christian like. My friends have honored me for the stand I have taken, as you will see. I am a member and officer in the Livingston Presbyterian church. Pres. Livingston Commercial Club. Acting Master, Jackson Lodge F. & A. M. Member Mt. Vernon Loyal Arch. Member London Knight Templars. Member Kosair Temple, Louisville, Ky. Member Red Hill Lodge I. O. O. F. Member and Junior past Councilor of Livingston, Lodge J. C. O. U. A. M. I have worked hard for my town and community and for her people and they are with me in this race, because they know me and they know I will stand for the right thing at the right time.

I have promised my friends that in case I was permitted to represent them in the next general assembly that I would use all my power and energy in trying to get the dog law repealed and one made that would not be a burden to the people as the present Democratic law is. In my first speech at Hickory Grove, with my opponent I advocated the repeal of the dog law to those good people who were out to hear us. My opponent took a different view—he said the dog law was alright we should keep it and educate the little children, of the taxes that was derived from this law. Mr. Voter do you like the dog law in its present shape? If you do my opponent should represent you. Fellow citizens in closing I will say I think I am competent to represent you in Frankfort, ask my neighbors and brothers who know me? I will stand by their answer. I appeal to the voters of this district to stand by me because you know where I stand, and to come out on the 7th. day of August, and vote for me and I will promise you that God being my helper I shall never give you cause to regret your action.

Your Servant,  
R. G. WEBB.
